

Yearly Wrap-up

Casey Tiger Shark's Swimming Club

Hi All,

To everyone who has been involved with the Casey Tiger Shark's Club this past season... *THANK YOU!* This season has seen a great turn-around for the club and it would not have been possible without your involvement.

What's been going on??

- ◆ Our number of swimmers has grown from 60 to 95 in the past 4 months alone.
- ◆ We have a great gold sponsorship relationship with the ANZ bank branches at Cranbourne and Fountain Gate.
- ◆ Our club placed 31st at the Victorian State Age Championships
- ◆ Robert Carlson (18) won silver in the Men's Open 400IM State Championships and has also recently competed in Brisbane at the National Age Championships. (Photo below: Robert training with Grant Hackett on the Gold Coast)
- ◆ Mathew Charlesworth (8) won 3 Gold & 2 Silver at the Victorian All Junior Championships
- ◆ Our new coach Ben Hiddlestone has lost his QLD sun tan...
- ◆ Our new squad structure is working great. Monthly swim clinics have been hugely popular.

The club's growth in the last few months is set to continue. We will have to find additional pool space somewhere soon or else buy wet suits and swim in the bay...

Special thanks to

- ◆ ANZ & our sponsors
- ◆ The Casey Arc and Cranbourne Indoor Pool YMCA Management. You guys continue to provide great facilities with excellent staff.
- ◆ All parents who lent their time volunteering throughout the year, especially our dedicated club committee! And Coach Amanda!
- ◆ David Carlson our club president, who after 10 years of volunteer work is now looking forward to a rest.
